

I GOT NEXT: HER7

YOUTH IMPACT AWARDS

Don't wait until she's grown to celebrate her greatness.

The **I GOT NEXT: HER7 Youth Impact Awards** is a new recognition experience created to discover, honor, celebrate, and elevate extraordinary young ladies who are already making an impact in their schools, families, communities, and the world around them.

Each year, **seven remarkable young ladies — the HER7 — will be selected and celebrated** for the unique ways they are leading, creating, serving, overcoming, inspiring, innovating, and making a difference.

We believe greatness does not begin when a young woman becomes an adult. It begins the moment she discovers her voice, believes in what is possible, and has the courage to use her gifts.

HER7 is our opportunity to tell her:

We see you.

We hear you.

We believe in you.

We celebrate you.

And we can't wait to see what you do NEXT.

WHO'S GOT NEXT?

Do you know an exceptional young lady whose accomplishments, character, courage, creativity, leadership, service, or story deserves to be recognized?

Nominate her for the 2027 I GOT NEXT: HER7 Youth Impact Awards.
